

Online Marketing Manager (m/f)

40 hours / week asap

e2 is an independent, internationally-oriented agency with focus on sports and sports betting. Our business fields include media and marketing, as well as production and syndication of sports data. Furthermore e2 provides the conception of target group relevant products across all platforms (web, mobile and app), the creation and execution of cross media campaigns together with marketing consulting on c-level.

Your Role

- Research in the global sports betting market
- Acquisition of partnerships with sports and sports betting related websites and livescore apps
- Online media buying activities
- Enlargement of our global media selling inventory

Your Skills

- 3-5 years experience in Online Marketing and Digital Media
- Good understanding of graphic design and programming basics
- High interest in the sports betting industry
- Knowledge about international football leagues
- Fluency of English and German is a must-have, any other foreign language is your advantage

Our Offer

- Exciting challenges in a young, international team
- Opportunity to integrate your own ideas
- We foster an open-minded work culture

Hard Facts

- We offer a minimum monthly gross salary of € 2.400, which is negotiable depending on experience and qualifications. If you are interested, please send us your application (CV & cover letter) via email to jobs@e-2.at.
