

## BI Data Analyst (m/f/d)

Vienna – Full time/asap

### We are looking for you, data hero!

E2 is a privately-owned, international agency focusing on sports and sports betting offering an international marketing portfolio, a strong technological stack and innovative social gaming products that enable a focused approach on sports-loving target groups.

Our business areas also include media management, marketing consulting and the technical realization of data-driven products that integrate into our state-of-the-art tech ecosystem enabling user-centered and context-sensitive advertising.

Our mission is to be a one-stop shop for the sports betting industry.

#### Your role in our team

- Data analysis and modeling
- Implementation of dashboards and analytic tools
- Development and interpretation of data
- Derivation of recommendations for action on the basis of forecasts and statistical analyses
- Definition and optimization of KPIs
- Coordinating requirements of stakeholders (adserving, affiliate, campaign management, media buying und ad-conception)

#### Your skills & experience

- In depth work experience in data analysis and business intelligence
- In depth knowledge of ETL, data wrangling and visualization tools and methods
- Preferably knowledge in: Python, R, MySQL, Machine Learning
- Significant analytical and statistical know-how
- Basic knowledge of procedures in online media buying and programmatic advertising
- Fluent English
- Basic understanding of clients motivation in the sports betting industry

#### You'll like this

We offer a young and dynamic work-environment with an international team consisting of more than 17 nationalities, dealing with clients and partners from the four corners of the world.

You will develop your individual value as part of a team, which welcomes the integration of new ideas and approaches. We are happy to offer you several tailor-made trainings to push your career. We foster an open-minded, diverse and tolerant work culture.

We provide several benefits such as flexible working hours and a laptop – not to mention: our legendary team-events!

Just for the record: your yearly salary starts at € 35.000 for full time, depending on your qualification and experience. We'll discuss your actual salary in person.

Does this sound interesting to you? We look forward to receiving your application (CV & cover letter).
